

Netwalking, LLC

Sponsorship Kit

Dear Future Sponsor and Strategic Partner,

It is my pleasure to introduce you to Netwalking®, LLC and present the opportunity for your company to become a sponsor and partner of the [insert conference name]. Netwalking®, LLC is a D.C.-based professional services firm providing a mobile space for group walking meetings. Our social engagement platform engages your most valuable asset – your people. We help foster relationships and enhance well-being which can ultimately increase productivity and improve quality of life.

Netwalking Sessions are an intimate, welcoming and safe space for attendees to candidly discuss real issues and topics to keep ahead of industry trends and new developments. We integrate designated breaks along the walk encouraging meaningful interactions, chance conversations, increased productivity, creativity, and provide an option for networking that may have been overlooked.

We are currently in the early stages of planning Netwalking Brunch Netwalks for 2018 including SXSW in Austin, Texas. We have included a sponsorship fact sheet and detailed proposal for your review.

Top 6 Reasons to Become a Netwalking Corporate Sponsor –

1. **Netwalking as a recruitment strategy** – Companies that offer Netwalking have a competitive advantage at recruiting top achievers in a tight labor market. Many productive employees live a well-balanced life. By creating a welcoming environment, prospective employees will notice your relationship-driven business.
2. **Netwalking promotes health and wellness** – When employees are healthy and thriving; they take fewer sick days and bring more energy to the workplace. This significantly increases productivity and creates a positive atmosphere. It's also a fact that companies who have a health mandate show an 11-15% increase in productivity.
3. **Netwalking is a great financial investment** – Having a healthier staff means a decrease in negotiated group health care contributions. Health and well-being is an important business success metric. Absenteeism is 27 percent lower for workers who eat healthy and exercise regularly. We have seen people's moods significantly improved after Netwalking.
4. **Netwalking contributes to the happiness factor** – Contrary to popular belief; a key issue with retention is not salary. Turnover happens when employees do not feel appreciated. Gratitude helps people feel confident, creates a happy environment, improves health, and builds meaningful relationships. Netwalking is a worthwhile activity that many companies are offering their staff in order to express gratitude for a job well done.
5. **Netwalking highlights a company's greatest asset, its people** – When clients can obviously see how much you care about your team they become drawn to your corporate culture as a whole. They understand that it's your people who build the company, not just the products you sell or the services you offer. Netwalking allows the employees to shine and it's noticeable to the outside world.
6. **Netwalking is headquartered in Washington, DC!** Stand out in the crowd and present yourself as a power player in the nation's capital.

If you are interested in becoming a sponsor for Netwalking, please don't hesitate to contact us. In addition, I will follow up by phone within two weeks to see if you have any questions that I can answer about the proposal or our organization. Thank you in advance for taking the time to review our sponsorship proposal package.

Endorsements

Walking together helped registrants create new connections, new ideas, and new opportunities. Simple things often produce the best results!

– **Hugh Forrest, Director of SXSW Programming**

Jessica thought of everything – from the route to the weather to the best way to network while walking. She was easy to work with, always smiling, and made it more fun than we had planned. I highly recommend Jessica to other event organizers. – **Melanie Spring, former chief inspiration officer, Sisarina**

Breaking away from the norm of trying to talk over lunch or on the phone is a great way to secure new business relationships. – **Howard Mintz, Director of Business Development/Finance Airport Revenue News - A Division of Urban Expositions**
